Don’t throw away Electronics!

The mercury and metals will contaminate the environment. A local option for recycling your computer, monitor, printer, fax machine and more is here. Bring these items to Coastal Recycling Center during normal operating hours, pay a small handling fee and help protect our environment.

Rubber tires with or without rims may also be dropped off at Coastal for a small handling fee.

Other Universal Waste items such as fluorescent bulbs, ballasts, batteries of various types, and all mercury containing devices can now be recycled at Coastal for a small handling fee.

Coastal Recycling Corporation
Located on Route 182 in Hancock
1/4 mile from Route 1 near Tideway Grocer

Hours of operation:
WEDNESDAY—SATURDAY
8 AM—4 PM
(Closed on Major Holidays)

P.O. Box 221
Hancock, ME 04640

Residents of member towns have options:

Take advantage of your town facilities or bring your recyclables to Coastal:

Franklin: (565-3663) The transfer station is open Saturday 9-3, Sunday 9-2 with additional hours in July and August Wednesday 9-1.

Gouldsboro: (963-5589) Roadside pickup every Thursday.

Hancock: (422-3393) Coastal Recycling is located in Hancock. Residents bring their recyclables to the facility Wed thru Sat 8AM to 4PM

Sorrento: (422-6282) Roadside pickup is the second and fourth Wednesday of the month.

Sullivan: (422-6282) The trailer at the transfer station is open Wednesday and Sunday 8AM-noon and 1PM-4PM. Sundays only from Dec.-March.

Winter Harbor: (963-2235) Bins are located next to Town Hall for your convenience. Be sure to put items in the correct bins.

Coastal Recycling accepts items sorted into the following categories:

**Corrugated Cardboard:** Flattened boxes & brown paper bags

**Newspaper:** Includes inserts, magazines, catalogs, and telephone books

**Paperboard:** All other paper items including junk mail, office paper, cereal boxes, envelopes, colored paper, paper core rolls, etc...

**Steel Cans:** Tin cans such as tuna, soup, fruit and vegetable cans. (These are **Magnetic**)

**Aluminum:** Some cans, clean foil, and pie plates. (These Items are **NOT Magnetic**)

**Glass:** All clean, rinsed glass, any color except mirrors, door and window glass

**Plastics:** #2 & #7, rinsed clean, clear or colored jugs, opaque milk and water jugs, from Laundry Detergent, Dish Soap, etc... No Lids please.

**Scrap Metal:** Must have at least 75% metal content.

**Don’t forget to browse Coastal’s “Re-Use” section.**

Thank you for recycling!

Due to high handling costs, we must charge a small fee for the following items:

- $20 each for Freon Removal
  - Refrigerators
  - Freezers
  - Air Conditioners

**All Other White goods:** FREE
  - Stoves
  - Washers & Dryers
  - Dishwashers
  - Hot Water Heaters
  - Furnaces

**Propane Tanks, Oil Barrels and Oil Drums**
Any size $10

Please make our job easier by remembering these simple tips:

- Materials are clean, dry, and sorted
- Flatten all cardboard
- Remove all plastic, staples, and paperclips from paper items
- ONLY #2 and #7 plastics
- See an attendant for approval to drop off items at the rear of the building: (white goods, propane tanks, metal, etc.)
- Please respect the fact we cannot be open at all times and for liability reasons cannot allow items to be dropped off when we are closed.
